

HONORED AT HARVARD.

E. G. Lowry, Jr., D. C. Student.
Wins Place on College Daily.

E. G. Lowry, Jr., of 2022 Hillyer place, a student of the class of 1925 at Harvard University, has won a place in the news department of the Harvard Crimson, the daily newspaper of the institution, according to word received here from Cambridge, Mass.

A place on the Crimson board is won only after an exceedingly keen competition, in which the candidates are drilled day and night in the methods of finding news. The managing editor gives the assignments, but the reporters are expected to

show their originality by tapping fresh sources of news. Lowry gained considerable experience last year when he earned the position of business manager for the Freshman Red Book, an annual, published by the freshman class. Last year, also, he captained the freshman wrestling team.

A Badge of Servitude.

His wife—Henry, I'm going to buy you a wedding ring. You ought to wear something to show you're married.

Mr. Peewee—Why, my dear, I do. Every day I wear the rubbers you bought me.

Trained Caddy.

The Collier—Loading as usual? The Terrier—Nope. I gotta job. I set a pork chop just for retrieving that little ball and dropping it somewhere near the hole.
